Subject: ADP DA Change

Ben / Tracy,

Firstly - Thank you for your assistance with this.

The issue: The current DA for the ADP2 program does not align with the DA changes that were submitted July 15, 2012. Tracy and I confirmed that there has not been any DA change requests processed for this program since the request dated in July 2012. The program is being delivered as was requested in the July 2012 DA change submitted, however the current DA does not reflect this.

As per the program outline (attached) the program is delivered in four modules. The program is 48 weeks in length. The length of each module is shown below.

Modules One and Two - 12 weeks (level one)

Module Three - 12 weeks (level two)

Module Four - 24 weeks (level three)

To align with the current DA with the previous DA changes I am requesting the following changes:

In level 1,

- PARA 6001 be changed from 15 hours (1 credit) to 60 hours (4 credits)
- ANAT 6009 be changed from 60 hours (4 credits) to 15 hours (1 credit)
- PHRM 6004 be changed from 60 hours (4 credits) to 15 hours (1 credit)
- PARA 6002 be changed from 15 hours (1 credit) to 30 hours (2 credits)

In level 3,

- PARA 6016 be changed from 24 hours (2 credits) to 30 hours (2 credits)

I have attached a copy of the front page of the DA change form (separate PDF), a copy of signed DA with the changes above captured (pages 1-3) and documents from the July 2015 DA submission found on pages 4-14).

Agatha, thank you for your work in identifying this issues and initiating the process to get this corrected.

Thanks,

Mark
